French – Basic

Summary

I'm a 21-year-old with a lifelong passion for computer science and programming. I am eager to expand my knowledge and grow alongside your company. I'm experienced in developing web solutions, both frontend and back-end, as well as system management and can work with embedded systems. I can also use the applications in the Microsoft Office suite to accomplish basic administrative tasks. I'm a communicative, friendly and adaptable person.

Skill Highlights

- Project Management
- System Administration
- Innovative
- Creativity
- Friendly

Experience

Shopware 6 Front-end/Back-end Junior Developer - June 2023 to January 2025
Mendelio, Iași (remote)
